(7) Subject

As per rules issued in Government No. 5771-830/C.R.B 5-26-1 dated 10th June 1927 the prescribed limit of 50% of the Backward Communities, has been confined to Departments only. There appears to be no other Govt Order wherein it is laid down that 50% limit should be confined to the Ministerial and Executive Establishments separately in one Department so as to enable the appointing Officers to get

advertised one out of three (instead of one out-of four) direct recruitment vacancies as General if the 50% limit is reached in either of the ministerial or Executive Establishments of the Department. It appears therefore that the existing rule viz that one out-of every four direct recruitment vacancies only should be treated as General if the 50% limit is not reached in any Department (both Ministerial or Executive Establishments put together).

Q 25/7 (8) Yes; but we Chairman want to know whether in this particular dept. (Dte) the 50% limit has been reached, taking both ministerial & executive staff together.

(9) In the ministerial staff of the Office of the Director of Industries & Commerce, there were 56 Brahmins and 43 non-Brahmins ie 57 and 43 per cent respectively for the half year ending December 31-12-1930. If the ministerial & executive staff is taken together there will be 151 Brahmins and 208 non-Brahmins ie 42 and 58 per cent respectively.
